

## **Community Service Reflection Paper**

After completing your required Community Service hours, students must write a short reflection paper answering the following.

1) Identify your place of service and describe what you did. If you worked at more than one place, choose the one that was most significant to you. What did you like the most? Least? What skills were required of you?

2) What has your service experience taught you about yourself? What did you learn about others? Did you have any preconceived notions of the people you served? Explain how what you learned will help you in the future.

3) Describe the results of your service. Explain your reasons for feeling that you successfully or unsuccessfully fulfilled your service privilege.

4) Convince someone that service is a part of the normal Christian life. Use the following passages to support your opinion: Galatians 5:13-14; Matthew 5:13-16; Ephesians 2:8-10; Philippians 2:1-11; James 2:14-26; 1 Peter 4:1-11; Matthew 25:31-46.

The paper must be at least one page typed, double spaced, and 12 pt font, or they will not be accepted.
