SECONDARY CAMPUS DRESS CODE – 2009/ 2010

The objective of the **ASCS** is to implement a dress code that is commensurate with the mission and philosophy of ASCS. The Bible commands the Christian to do “all to the glory of God” (I Cor. 10:31). At ASCS, we strive to honor God through personal dress that is neat, modest and appropriate.

We appreciate the support of parents and students in following the school’s dress code. This allows our teachers and administration to spend less time on “policing” student dress and more time on educational activities.

Modesty is defined as:

- Not revealing -
 - Shirts should fully buttoned except for top button
 - Skirts should be knee length with no front slits
 - Pants should be worn at the waist (no low rise)
 - Undergarments should not be visible
- Not tight –
 - Shirts/pants should be the proper size
 - Pants/shorts should not be form fitting

We try to be as specific as possible in our dress code description, but with ever-changing dress styles there may be changes that are implemented during the year. Students **and** parents will be given full notice of any changes.

Students who fail to comply with the dress standards will be disciplined, and if dressed immodestly may not be allowed to enter class until they are appropriately attired.

In all cases the administration will have the final authority about the appropriateness of any school wear **and in applying the means to encourage compliance.**
